Ownership structure

- SERAL MANAGEMENT SRL
- SORIN MIRON
- DAMIEN PASCAL PHULPIN

Share capital : 3.045.600 Ron

MCI SMARTPACK

- The company MCI SMARTPACK SRL was founded after SC Automobile Dacia SA outsourced various carpentry and sewerage works.
- MCI technicians together with Automobile Dacia designed and developed wooden packaging for the CKD shipment of DACIA cars components all over the world.
- 2006 – MCI SMARTPACK builds its own production unit: Mioveni, Bd. Dacia no. 129A, Arges

- Total area: 12,0000 sqm
- Production area: 2500 sqm
- Storage area: 1500 sqm
- Offices: 459 sqm

MCI SMARTPACK

✓ **MCI SMARTPACK becomes the main supplier of wooden packaging for DACIA Automobiles**

After the collaboration with Dacia, the customer base began to expand, not only in the automotive industry, but also in other areas of industry and commerce.

AUTOMOBILE DACIA, RENAULT TECHNOLOGIE ROUMANIE, MATRITE DACIA, HORSE ROMANIA, TIMKEN ROMANIA, SISECAM AUTOMOTIVE, BRICO DEPOT, GROUP ALLIO ROMANIA, SEGULA INTEGRATION, PIROUX INDUSTRIE, FRITZMEIER ENGINEERING, ASO CROMSTEEL, TRISTARSTEEL, ISIS DEVELOPEMENT etc.

Providing services:

- custom design of packaging types
- technical expertise and intelligent storage solutions
- packaging at the source (at the customer), for shipping the products by any type of transport (rail or sea).

□ **The ideal partner for packaging products and transporting them safely**
