

Conference and International Business Networking Event

November 17, 2021, 18.00-21.00
Hilton Geneva Hotel & Conference Centre

Meet Per Falk
CEO, Ferring Pharmaceuticals

The Importance of Collaboration in the Pharmaceutical Industry

Ferring is a research-driven, specialty biopharmaceutical group committed to helping people build healthy families and live better lives. Ferring is a leader in reproductive medicine and maternal health, and in specialty areas within gastroenterology and urology.

Per Falk will talk about Ferring and their commitment in reproductive medicine and maternal health, how they address inequalities, as well as how the pandemic has impacted this area. He will also discuss how the pharma / life science industry can work better with regulators, politicians and the media in developing public health policies.
