Who we are

Forvis Mazars is a leading global professional services network operating under a single brand with just two members: Forvis Mazars Group SC, an internationally integrated partnership operating in over 100 countries and territories and Forvis Mazars, LLP in the United States.

Effective June 1, 2024, FORVIS, the eighth-largest public accounting firm in the United States, and Mazars, a leading international audit, tax, and advisory firm, joined forces to create a new global network, **Forvis Mazars**. This collaboration has established a top 10 global accounting network, with combined revenues of approximately \$5 billion.

Operating under a single global brand, Forvis Mazars, the network is uniquely structured with just two member firms to provide agility, consistency, and the global reach needed to meet clients' evolving needs. Both firms retain ownership through their respective partnerships, ensuring their shared values and commitment to quality service remain intact.

This strategic alliance has expanded capabilities for clients, particularly those with international operations, and strengthens the firm's presence on a global stage. Mazars USA has now officially joined Forvis Mazars in the U.S., further integrating operations to provide seamless and exceptional client experiences.

At a time when businesses face unprecedented challenges and evolving market dynamics, Forvis Mazars promises to deliver agility, scale, and innovative solutions to meet client needs worldwide, all while maintaining the highest levels of consistency and excellence.
