SEASON ONE OF GREEN GROWTH**

Why Trees? Why The Kilimanjaro Project?

ICONIC MOUNTAIN

The Rooftop of Africa - the highest freestanding mountain in the world. A powerful voice for climate change. Gift a tree or forest on the slopes of Mt Kilimanjaro - a beautiful meaning gift for your clients, suppliers, or stakeholders

PROVEN TRACK RECORD

The Kilimanjaro Project has been in operation for over 7 years, with a proven track record in restoring degraded lands, improving biodiversity (pioneering biodiversity / nature credits), and ensuring carbon sequestration (launching community carbon project in 2025). Currently The Kilimanjaro Project has 80,000 trees in their state of the art nurseries, ready for planting.

COMMUNITY BENEFIT

The Kilimanjaro Project partners with smallholder farmers and local communities to grow trees and transform their livelihoods

GLOBAL RELEVANCE

Your gift contributes to global climate action and SDG goals.
