# COCKTAIL CONFERENCE

TECHNOLOGY TRANSFER

Recent years have seen a rapid expansion in the number of technology transfer offices set up by universities to manage this process. In some cases, the technology transfer is reciprocal, and the research institution and licensee exchange and co-develop technologies. This exclusive event will give you a very concrete overview into the possibilities for companies to collaborate with research centers located in Switzerland.

## PROGRAMME

- 05.30 PM**      **Reception**
- 05.55 PM**      **Welcoming Adress**
