(\*). Departure and Arrival time might vary on different dates. Kindly check with your travel agent or visit [AIRFRANCE.CO.TH](http://AIRFRANCE.CO.TH) or [KLM.CO.TH](http://KLM.CO.TH) for the most accurate timing.

## Air France and KLM Book with confidence

Air France and KLM continue to offer customers reassurance and more time for planning future travels. Our current flexible COVID-19 'Book with confidence' policy, extended for booking until 28 February 2022 and travel until 30 June 2022. Please visit [AIRFRANCE.CO.TH](https://www.airfrance.co.th) or [KLM.CO.TH](https://www.klm.co.th) for more information.

## Air France and KLM Traveldoc Websites

Due to the health situation, some countries require a negative Covid-19 test, quarantine on arrival and special travel documents. These travel requirements are regularly updated. Air France and KLM recommend all customers to check [Air France Traveldoc](https://www.airfrance-traveldoc.com) and [KLM Traveldoc](https://www.klm-traveldoc.com) sites regularly before the trip.

## Travel requirements to/via France

Customers traveling from Orange Countries, such as **Thailand**, to France, are required:

- To present a **negative PCR test result** or a **negative antigenic test result** less than **48 hours before departure** (all travelers aged 12 years and above)
- To present a **sworn statement** certifying the absence of COVID-19 symptoms and of any contact with a confirmed case of COVID-19
- To fill a the **digital traceability form (dPLF)** prior to travel
- To fill the **Eos electronic form**
- To present a **certificate of international travel** for Metropolitan France (non-vaccinated travelers only)
- To **self-isolate for 7 days** and to take a **COVID-19 PCR test at the end of the isolation period** (non-vaccinated travelers only)

**Customers transferring in Paris-Charles de Gaulle Airport** do not need to present negative COVID-19 NAAT (PCR) test result but if required by final destination.

Information are subject to change without prior notice. For the most updated procedure and requirements, please refer to the official website of [Ministry for Europe and Foreign Affairs](https://www.diplomatie.gouv.fr/en)

## Travel requirements to/via The Netherlands

Customers aged 12 years and above traveling from a country in the list of **High-risk area** (Countries that are not on the list of safe countries/regions or on the lists of very high risk areas) such as **Thailand** to the Netherlands are required:

- To present **negative COVID-19 test result** (**Either** a **negative COVID-19 NAAT (PCR) test result** based on a sample collected no more than **48 hours** before departure **Or** a **negative antigen test result** based on a sample collected no more than **24 hours** before departure)
- To present a **health declaration form**
- To present a **proof of vaccination** (otherwise the EU entry ban applies unless the purpose of the trip falls under one of the exemption categories)

**Customers transferring in Amsterdam-Schiphol Airport** do not need to present negative COVID-19 NAAT (PCR) test result but if required by final destination. A health declaration form is still required.

Information are subject to change without prior notice. For the most updated procedure and requirements, please refer to the official website of [Government of the Netherlands](https://www.government.nl)

## Easy Travel with KLM Upload@Home Document Check

Customers can now use KLM's 'Upload@Home' to save time at the airport and enjoy a smoother journey. This free option lets them **pre-validate required COVID-19 entry documents** through KLM website. **Eligible customers will receive an invitation to upload documents before travel**, such as negative PCR test results. KLM will check the documents and confirm via e-mail when everything is in order. Uploading must be done at **least five hours before departure**. Please visit [AIRFRANCE.CO.TH](https://www.airfrance.co.th) or [KLM.CO.TH](https://www.klm.co.th) for more information.

Go to your dedicated Travel Agent or [AIRFRANCE.CO.TH](https://www.airfrance.co.th) or [KLM.CO.TH](https://www.klm.co.th) to check the fares and most updated flight schedule to make the booking.
