

# EXCHANGE VISITOR PROGRAM

The French-American Chamber of Commerce in New York is as U.S. Department of State accredited sponsor for the Exchange Visitor Program, facilitated by the **J-1 visa**.

As an Exchange Visitor, **boost your career** with an international element that will be a competitive advantage and provide valuable on-the-ground experience.

To qualify for a J-1 visa, your level of business English must be sufficient enough to fulfill your mission and communicate with your American colleagues. Under a non-immigrant cultural exchange visa, you will have to return to your home country at the end of the program.

We take a personalized approach to each visa we sponsor, with a dedicated account manager who supports you. Choose the FACCC and benefit from networking opportunities that prepare you for a global career.

For foreign nationals coming to the U.S., we sponsor:
