As a consultant with a passion for banking technology and cybersecurity, I am seeking challenging and dynamic career opportunities through which I can apply my skills, including expertise in Salesforce and Microsoft, to French companies.

## Experience

**West Monroe Partners**, Chicago, IL – *Financial Services Consultant* March 2021-Present

*Project Work – Cybersecurity Cloud Control and AI/ML Governance*

- Advise top 5 global bank on cloud security posture management to ensure compliance with Microsoft Azure Cloud Services
- Analyze 400+ control procedures to identify gaps and create new control procedures to manage compliance
- Manage dashboards and reporting for adherence to different compliance frameworks, including NIST 800-53 Rev. 5
- Provide ad hoc exam support and monitor materiality assessments for 177 legal entities to ensure compliance for LLM use cases

*Project Work – nCino Loan Origination System*

- Configure the nCino Commercial LOS and Salesforce Financial Services Cloud for implementations in the Farm Credit Industry
- Business Analyst in design and build phases; facilitated Go-Live support and created 41 design documents and Go-Live playbook
- Managed over 1000 records of feedback, user input, and changes or enhancements to the nCino LOS
- Senior Business Analyst for 2 commercial nCino optimization projects: managed 2 team members and client interactions, facilitated 3 rounds of QA testing and user acceptance testing, presented on status calls and readouts to the client

*Internal Initiatives*

- Organized 2 Agricultural Industry Client Advisory Boards, including content development, communications, and program management; developed Banking-as-a-Service presentations for 2 CIO Client Advisory Boards
- Contribute to knowledge articles and thought leadership for West Monroe's Financial Services practice related to Revenue Optimization, Sales Effectiveness, Distributed Banking (BaaS), secure and compliant organizational structures, and Efficient Operating Models, including the development of materials presented during an American Banker webinar
- Lead internship program for Financial Services for 2 years; coordinate trainings, panels, and social events for 28 summer interns

**N3**, Atlanta, GA – *Production Assistant* Summer 2020

- Supported a project of 100+ live training sessions to instruct 2,000+ of the client's sellers on modern virtual sales techniques
- Interfaced with sellers and managers across Europe, Asia, and the Americas

**TM Financial Forensics**, Chicago, IL – *Summer Analyst* Summer 2019

- Assisted businesses and outside counsel to resolve complex business and litigation challenges and address market, contract, operational, and regulatory risks through analyses of financial damages; includes analyses performed for a \$2 billion lawsuit

**Baker Tilly Virchow Krause**, Detroit, MI – *International Growth Services Consulting Intern* Summer 2018

- Advised global companies on alternatives for profitable growth and anticipated expansion into international markets
- Researched new paths for client expansion, which led to generation of \$5 million in incremental new revenue for the client
