# About Us

The French-American Chamber of Commerce of the Pacific Northwest (FACC-PNW) is a binational non-profit organization. We seek to develop and improve economic, commercial, and financial relations between France and the United States through our members and partnerships.

## Event Description

Beaujolais Nouveau wine is released at midnight each year on the third Thursday of November. Its arrival as the first wine of the harvest sparks worldwide celebrations. We will host Seattle's 27th annual Beaujolais Nouveau Wine Festival on November 22, 2019 to celebrate this tradition.

Join over 400 professionals representing fortune 500 companies, trendsetters, Francophones, and more. For one night, experience the French *joie de vivre* with live music, divine food, a silent auction, raffles, and a large selection of French and local wines.

## Support Our Mission

All funds raised directly benefit the Chamber's mission as a small non-profit by supporting our staff, our J-1 interns, and our community engagement. We offer many opportunities for companies and individuals alike to support our work by sponsoring the event or by purchasing a table for the night. As a sponsor, you will:

- ◆ Gain visibility within the French-American community
- ◆ Meet and network with potential collaborators and clients
- ◆ Bond with your colleagues at one of Seattle's most iconic venues
  - ◆ Entertain your clients and/or reward employees
  - ◆ Reinforce your brand

Join in this time-honored tradition and have fun for a good cause! Contact us today to create a personalized sponsorship package that meets your marketing needs.
